

ATIBAIA

WINERY

Atibaia is a family craft winery located in the mountains of Smar Jbeil, overlooking Batroun. The smallest in Lebanon, it is dedicated to producing one red wine and one white wine, in limited quantities. The winery makes its home in a 17th century rustic house with lush surroundings.

VINEYARDS

Our own vineyards are spread throughout the Batroun area, with altitudes stretching from 400 to 600 meters and over a mosaic of terroirs. They are lovingly cared for by our team, mainly family members, and every single detail is rigorously controlled. The 5 hectares of vineyards have three distinct soils type:

Smar Jbeil	Alluvial plateau
Mrah el Zayat	Terraced slopes gravel and clay
Mrah Chedid and Jran	Terraced calcareous clay

WINEMAKING

Manually harvested, only the most qualitative grapes are selected in the vineyard, then sorted twice, including once on a vibrating table.

Vinification is thermo-regulated in stainless-steel tronconic tanks, with limited extraction. After the malolactic fermentation, the wine is matured in 225 and 400 liters French oak casks.

WINEMAKER TASTING NOTES

Intense and deep dark ruby color.

Spicy oak, and deep complex notes of Havana Tobacco and Cedars Wood. Let it breath for few minutes and it will exude an intense and complex red fruits bouquet.

Silky, powerful tannins. A warm and concentrated wine with hints of cinnamon and cloves.

SERVING

It is recommended to decant before serving, for thirty minutes at least, to get the full aromatic expression.
