

CHATEAU MONT D'ALMAZ WHITE 2020

Chateau Mont d'Almaz grape yards are grown on the terraces of Mount Lebanon at an altitude of 1260 meters. Our terroir overlooks the "Quadisha Valley" an UNESCO world heritage

Mont d'Almaz WHITE is a single grape wine made of the indigenous MERWAH grape. Long used for local drink ARAK the MERWAH variety yields fresh white wines.

It offers intense citrus and white flowers with mineral note. On the plate, it is fresh with flavors of tropical fruits with notes of lime and apricot balanced with fresh acidity. Serve chilled

Our viticulture practice makes our wine organic and vegan where small doses of SO are added.
