

## TJ Soeur de fLuR 2016

Combining fruity aromas with an intricate balance between smoothness and punch, this wine will fill any occasion with joy.

A result of our unique blend of 30+ year-old Cabernet Sauvignon & Cinsault vines planted at 1400m, and supplemented with Merlot and Syrah.

Grown at high altitude in sloping, clay-limestone soil, our handpicked grapes are vinified without compromise then aged 9 months in French Oak barrels.
